## EXAMPLES OF PRIORITIES FOR YOUR CONSIDERATION

- Need-based Scholarships: About 30% of our student population comes from homes at or below the poverty level; making college affordable to all is crucial to our success.
- **Merit-based Scholarships:** Our effort to enroll and retain the best and brightest is enhanced by acknowledging these students through financial awards.
- Faculty Awards: Top faculty are often secured through named professorships, chairs, and other salary-plus opportunities.
- **Specific College/Unit:** Each of our 11colleges and non-academic units across campus have goals that can only be met through private support.
- **Study Abroad:** The number of students participating in experiential learning has almost doubled in the last10 years, increasing the need for program funding and support.
- **Smokey's Closet:** This partnership offers free new and gently used clothing to students so they can dress to impress at job fairs and interviews.
- **Big Orange Meal Share:** Reallocates unused guest meals to students in need; new BOMS scholarship is in place to award to students who cannot afford to supplement their meal plan.
- **Big Orange Pantry:** Provides a retail environment for students, staff, and faculty who qualify to shop for pantry staples, fresh foods, and hygiene items.
- **The Arts:** Priorities abound for the visual and performing arts—music department, Pride of the Southland Band, McClung Museum, etc.
